Dear Parents

This week our Vaucluse students were outstanding ambassadors for our school. The school swimming team performed in a way that brought positive comments from other schools. Their sportsmanship was mentioned at the District Swimming Carnival at Heffron Pool on Wednesday. Tom Styles and Talia Butt accompanied the team and were thrilled at the team’s determination to participate in everything and their support of each other.

David Todd took a Year 6 group to Homebush on Wednesday for a Leadership Conference. There were over two hundred schools from NSW represented and our Vaucluse Leaders were delighted by the experience. They came back to school on Thursday fresh with ideas to implement to improve our school culture. We are looking forward to seeing them in action.

A reminder to parents that our school playground is not supervised until 8.50 am. Each morning only the top playground is opened and a teacher is not on duty to supervise students until this time. Before school care is available from 7.00 am and Lee brings these students into the playground at 8.50 am. There have been quite a number of unsupervised students on the playground from as early as 8.15 am. Apart from the fact that there is no one to assist if a problem arises, it is quite uncomfortable for these students to be on the playground on their own. Teachers are engaged in daily preparation at this time and are not aware that there are students on the playground. When asked why students are here so early it is usually because Mum or Dad had an early commitment. Please book your child into VOOSC if this situation occurs. We are very concerned at the stress that occurs for these children who are left on their own.

We are experiencing an enormous number of phone calls after 3.00 pm to give students messages about changed pick up arrangements. As our school population increases so too does the work in the Admin office. Quite often it is physically impossible for the Admin staff to get these messages to students on a timely basis simply because of the high volume of requests. What also makes it challenging is that these requests often come at the last minute. The Admin staff do their very best to get these messages to teachers. This week there was a message that did not make it to the student because as the phone call came in a very sick child presented at the office. This is always a priority and by the time the child had been cared for it was too late to deliver the message. If your child does not get picked up at home time they are brought to the Admin Office and parents are called. Please be mindful when ringing the office that staff may not be able to deliver your message. We would very much appreciate your support with this.

This week it was wonderful to see the example of parent power in the Wentworth Courier. Nicki Yeale has initiated a great strategy to keep our students safe and also enlisted other parents to help her. In spite of some shameful behaviour from drivers not observing the road rules Nicki and her team have made Cambridge avenue a safer place for our students. We are very grateful to Nicki and her team and it was fabulous to see the acknowledgment of her commitment.

The school has been full of excitement this week in anticipation of tonight’s Welcome Carnival. There have been many parents working quietly behind the scenes to ensure it is a fabulous night for everyone. We look forward to seeing you all there.

A reminder to parents to notify the school about your child’s health

We welcome information from parents about your child’s health, even if you are not requesting specific support from our school. Our school asks for medical information when you enrol your child.

It is also important that you let us know if your child’s health care needs change or if a new health condition develops. Information about allergies, medical conditions such as asthma and diabetes and other health care related issues (including prior conditions such as medical procedures in the last 12 months) should be provided to the school by parents. Please provide this information in writing to the principal. This will greatly assist our school in planning to support your child’s health and wellbeing.

Please also remember to notify staff in the school office of any changes to your contact details or to the contact details of other people nominated as emergency contacts.

We appreciate your assistance in this regard and assure you that any information you provide the school will be stored securely and will only be used or disclosed in order to support your son or daughter’s health needs or as otherwise required by law.

Purim is celebrated Wednesday night 4th March and Thursday 5th March. It is a fun holiday for the Jewish people, especially for the children. The story is about Queen Esther who saved her Jewish people while she was married to King Achashverosh, king of Persia. The President Haman didn't like that the Jews wouldn't bow down to him and managed to convince the king that the Jewish people should be rid of. When they were saved this day became a very happy day. Children dress up, have Purim parties at synagogue and eat triangle biscuits called hamantashen.

But there are 4 must dos:

Listen to the story of Purim twice, once at night and once again the next day, give food packages to our friends, eat a festive meal and give money to the poor.

When used appropriately, mobile phones offer our students a strong sense of personal safety. At Vaucluse Public School we do not encourage students to bring a mobile phone to school. We accept that some parents give their children mobile phones for personal security or safety. Mobile phones have the capacity to have a negative impact on the learning environment and when used inappropriately can put safety and wellbeing of students at risk. The widespread ownership of mobile phones among young people requires the staff, students and parents of Vaucluse Public school to take steps to ensure mobile phones are used in a responsible and safe manner.

**The purpose of this policy is to ensure that:**

- Mobile phone use does not disrupt the teaching and learning environment for any student or teacher.
- Potential risks to student safety and well-being posed by inappropriate use of mobile phones can be identified and addressed.

Students, staff and parents have clear understanding of school guidelines and personal responsibilities related to the appropriate use of mobile phones.

**Responsibility**

- Vaucluse Public school strongly discourages students from bringing mobile phones to school. However if parents deem it necessary for students to have a phone at school, it is conditional on students following the appropriate guidelines outlined in this document.
- The decision to bring a phone to school must be made by parents and caregivers.
- Permission for students to have a mobile phone is contingent on parents, caregivers and students signing the **Appropriate Use of Mobile Phones at School Agreement**.
- It is the responsibility of all staff and parents to comply with the appropriate use of mobile phones guidelines as outlined in this document and DEC policy.

The school accepts no responsibility for, lost, stolen or damaged phones in the instance that they have not been signed in. The school also accepts no responsibility for students who lose or have their phones stolen while travelling to and from school.
All students are to be made aware of the unacceptable uses of mobile phones to ensure they have a clear understanding of appropriate use.

Mobile phones should be switched off as soon as students enter the school grounds.

All mobile phones are to be handed to the Main Office Staff before 9.15 am each day and retrieved at 3.20 pm. Phones will be kept in a secure location during the school day.

Students will only be granted permission to access their phone between 9.20 am and 3.20 pm under exceptional circumstances. Such requests will be handled on a case-by-case basis and should be directed to an Assistant Principal. Parents are reminded that in cases of emergency or when messages need to be passed on to students, the school office remains the sole point of contact and will ensure any student is contacted and assisted in an appropriate and timely manner.

Students should protect their phone numbers by only giving them to friends and family to ensure they are receiving communication from people known to them. It is strongly advised that students use passwords or pin numbers to ensure unauthorised phone calls or SMS messages cannot be made from their phone by anyone other than the owner of the phone. Students must not lend their phone to another student at any time. The student who owns the phone will be held responsible for its use.

Students should label their mobile phones clearly with their names.

Students are not permitted to bring mobile phones on school excursions and overnight camps under any circumstances. School staff will not be held responsible for the security of phones should this guideline be breached. In instances where students need to contact their parents this will be organised by supervising staff.

**Staff**

During teaching time, while on playground duty and during meetings, mobile phones should be switched off or put on silent.
At all official school functions, during meetings or when assisting in classrooms, mobile phones should be switched off or put on silent.

Unacceptable Use of Mobile Phones

Unless express permission is granted, students are not to be in possession of a mobile phone at any time between 9.15 am to 3.20 pm. Mobile phones should not be used to make calls, send SMS messages, access the internet, take photos or use any other application while students are on school grounds.

- Using mobile phones in an inappropriate manner is unacceptable and will not be tolerated.

Inappropriate uses of mobile phones include but are not limited to:

Using mobile phones at a time that will disrupt the learning environment or interfere with the operation of the school.

Making calls or sending messages with the intent to bully, harass or threaten another person.

Using mobile phones to take photographs of other people without their consent.

Using obscene, derogatory or socially unacceptable language while using a mobile phone.

Using mobile phones to receive, download and display inappropriate photographs or other material.

Consequences of Inappropriate Use of Mobile Phones

Students who engage in inappropriate use of mobile phones will be subject to disciplinary action in accordance with the school’s discipline policy. Some inappropriate uses can constitute criminal behaviour and will be reported to the police.
Related Technology

Related technology such as portable computer games, ipods, MP3s, ipads and other similar devices are not to be brought to school under any circumstances. The school accepts no responsibility for the security of these items and the procedures applying to the inappropriate use of mobile phones will apply equally to these devices.

Implementation

Teachers will discuss this policy with students to ensure they have a clear understanding of the guidelines and procedures.

The community will be made aware of this policy through the weekly newsletter, P&C meetings and the school website.

The policy will be included in the enrolment package for all new students.

Vaucluse Public School accepts that some parents give their children mobile phones to protect them from everyday risks involving personal security and safety. The school has clear guidelines and procedures for the appropriate use of mobile phones as outlined in the Vaucluse Public School Mobile Phone Policy. For any student to bring a mobile phone onto school grounds they must have read and clearly understood the policy as well as co-signing with their parent.

Student Agreement

I have read the Vaucluse Public School Mobile Phone Policy and agree to the following:

- I will sign my phone in to the Assistant Principal or delegate at 9.15 am when bringing my phone to school and sign it out again at 3.20 pm.
- I understand and will follow all the guidelines for acceptable use of mobile phones at Vaucluse Public School.

I understand the behaviours and actions that constitute unacceptable use of mobile phones and will not engage in these behaviours at any time. I understand that if I break the terms of this agreement my phone will be confiscated, my parents will be informed and I may be banned from bringing my phone onto school grounds.
