INFORMATION FOR PARENTS AND CARERS

Review of Special Religious Education and Special Education in Ethics in NSW government schools

The NSW Department of Education and Communities has commissioned an independent review of the implementation of Special Religious Education (SRE) and Special Education in Ethics (SEE) in NSW public schools.

The review is being conducted by an independent research company, ARTD Consultants. This company provides services in evaluating public policy. The review will inform ongoing improvement of SRE and SEE for the Department and providers.

How can you participate in the review?

You can complete a survey up until 31 July 2015 via an online portal, located at this link: http://forms.artd.com.au/s3/Online-contribution-for-parents-carers

The survey is in English and has 19 questions. For most questions you can select an answer from the multiple choice options provided. Only two questions ask for written answers. Extra written feedback for another five questions may be provided if desired but is not essential.

Queries or complaints about the way the review is conducted

For questions or concerns associated with participation in the review or to raise a complaint about the conduct of the review, please contact the Leader, Quality Assurance, on (02) 9244 5025 or by email at SRE-SEE-Review@det.nsw.edu.au. All complaints will be treated confidentially.

They are an annoying part of life however it is important to remember that they cannot hurt us.

Another gentle reminder …. Please check daily and treat your children for Head Lice.

Please check your child’s hair for nits/lice tonight using the methods recommended in information from NSW Health

If you find any eggs or lice please commence treatment as recommended. Please note that it is very important that all students tie long hair back when at school at all times . This is part of the school uniform and helps prevent the spread of head lice

**BOOKINGS CLOSE**

22/06/15.

Please choose your days carefully Booking are non-refundable or transferable due to daily child/staff ratios, safety requirements and pre-booked activities
This week and next week as part of our Reconciliation Week Program students from across the school are planting brand new native saplings that have both edible and medicinal qualities. Please come and visit the Bush Tucker Garden to see our new additions but take care not to trample our new saplings as they are still very delicate.
IMPORTANT NOTICE TO ALL FAMILIES

Please remember that when children are booked into a session at After school care, we have A Duty Of Care for each child and are responsible for the collection and care of your child after school, until you collect them from us.

If there is a change to this arrangement such as a play date or another person picking them up either from class or Voosc, parents/carers are required by centre policy to inform us of all changes to pre-arranged bookings.

It is also advised that class teachers are notified of changes to daily routines. Please note that you are still required to communicate these arrangements with us regardless of whether you have told your child's class teacher.

Teachers are not responsible for sharing this information with us and can often like us, be placed in a situation where we need to call parents to verify where a child should be when changes happen.

It can be distressing to a child who is expecting to go on a play date and is not able to, as by law, we are not able to release a child into the care of another adult, without having prior parental authority to do so.

Thank you for your understanding.

VOOSC Committee Meeting.

A committee meeting is scheduled at Voosc on the 15th of June at 6.00pm. All welcome.
